TOWN OF WINDSOR
Social Services
EMERGENCY ASSISTANCE PLAN

GOAL

Windsor's goal in assisting a person or family in need is to aid them in handling their current emergency and to help them develop an ongoing plan for living. All options suggested in this plan are at the discretion of town staff and are not to be construed as an entitlement by staff or people in need of help.

A. DURING WORKING HOURS, MONDAY - FRIDAY,
8:00 A.M. -5:00 P. M.

FOOD

If a person who is not a Food Bank participant needs food on an emergency basis they can come to L. P. Wilson Community Center, 599 Matianuck Avenue, to Social Services. They will need to show proof of address and they will be given a Food Bank Application to complete for their second visit. They can select food items.

HOUSING

According to the Moore vs. Ganim court decision of June 1995, no Town in Connecticut is required to guarantee housing to anyone. (There is an exception to this, when the Town of Windsor posts a notice on a residence saying that the building is not safe for habitation. There are rules that govern this situation.) The town is not required to provide housing (emergency or otherwise). People who are in need of emergency housing for the night are referred to the Windsor Police. If in the police officer's discretion a person is put up in a motel, the officer brings the person in and signs the register. The officer tells the clerk that one evening will be authorized and brings the receipt back to the office. The receipt must have the incident number written on it and be signed by the officer. The following are possible leads for emergency housing:

First Option is to help the needy person or family move in with family or friends.

Second Option The individual could be directed to the YMCA, 50 High St. New Britain. The number is 860-229-3787. The rate is:

Single Bedroom: \$155.00/week (men only)

ENERGY ASSISTANCE

Fuel Assistance

The Community Renewal Team handles energy assistance at their Windsor Satellite office-located at the L. P. Wilson Community Center. An appointment can be made by calling 860-560-5800 between 8:30-4:30 pm. **This is not a crisis program so people need to apply for fuel assistance before they run out.**

Energy Assistance

FEMA and Operation Fuel are two programs that may be able to assist people with their energy needs if they are over income for CRT, or have exhausted their benefit. Please call 860-285-1839 to set up an appointment.

BOILER PROBLEMS

People with a problem concerning their boiler should contact Office of Community Development (860-285-1985) for an appointment. They will do a financial assessment, which will be given to Jim Hallisey in Community Development to determine eligibility. Jim will handle the process from there.

EVENINGS, WEEKEND AND HOLIDAY PLAN

The Windsor Police Department 860-688-5273 provides emergency services on evenings, weekends and holidays.

EMERGENCY FUEL ASSISTANCE

The procedures for handling requests for emergency fuel are as follows:

- In a rental situation determine if the tenant or landlord is responsible for the heat. If the landlord is responsible he/she should be contacted.
- If the tenant is responsible can the person borrow the money needed from family or friends?
- The Town of Windsor Social Services Department has a contract with Charter Oak Oil Company (Aiello Home Services) to do emergency deliveries. (See letter at bottom of this document). 860-292-2600
- State Line Propane LLC of Granby will fill up propane tanks. The owner, Brian, can be called on his cell phone 860-250-3256

- The person receiving the fuel should contact the Social Service Office the next business day at 860-285-1839. They will need to apply to have the bill paid. In the event that they do not apply the bill will remain their responsibility. A police report would be helpful.
