

Is there a special place for my parents?

♥ Nursing Care ♥ Recreation ♥ Socialization

The answer is “yes” and it’s **The Caring Connection, the town of Windsor’s Adult Day Health Center.**

It’s the place that welcomes adults of any age who need some assistance with the activities of daily living, or who are lonely and socially isolated.

It’s also a place that is challenging, interesting, educational and fun.

Visit us and see for yourself.

The Caring Connection

330 Windsor Avenue, Windsor CT 06095
860-547-0251 or
